

THE SASH  
WINDOW  
WORKSHOP

## Semi-Skilled Bench Joiner

We are looking to recruit a semi-skilled bench joiner to work full time in our workshop in Bracknell, Berkshire.

The successful applicant will have at least 2-3 years' experience manufacturing timber windows, doors and associated products. They must be able to work individually or part of a team.

The candidate must be able to understand and work from complex drawings and be able to use traditional woodworking machinery.

Experience with 3 axis and/or 5 axis CNC machinery experience would be beneficial.

Salary is dependent upon experience.

To apply, please send your CV to: [info@sashwindow.com](mailto:info@sashwindow.com)
